ABINGTON GREEN WAVE

Booster Banner Newsletter

The Abington Green Wave Boosters are pleased to launch its first ever newsletter to be published seasonally. Following each athletic season, ***The Booster Banner*** will highlight achievements our teams and student-athletes have accomplished during the season as well as provide updates on the latest news and events.

WHO ARE THE BOOSTERS?

Good question! The Boosters are a group of volunteer parents who work together to help to raise funds to support all athletic teams at Abington High School. In addition to selling concessions at home football and basketball games, the Boosters run fundraisers during the year which include the annual Door-to-Door Drive, Team Work Trivia and meat raffles. The money raised is used to support the needs of the teams which are not otherwise covered by the Abington Public School budget. If teams have a need, head coaches are encouraged to make the request to the Boosters for consideration and, most often, the funds are allocated to meet the team's needs.

SENIOR STUDENT-ATHLETE RECOGNITION NIGHT

Sponsored by the Green Wave Boosters

On **Wednesday, May 30th at 7pm**, the Abington High School Athletic Department will host the Senior Student-Athlete Recognition Night. The evening is an opportunity to recognize any senior who has participated in a sport during his / her time at AHS. The evening will consist of a buffet dinner and a brief presentation. In addition, some student-athletes will be recognized for athletic accomplishments they have earned during the 2017 / 18 athletic year.

The event will take place at Abington High in the cafeteria and parents of senior student-athletes are welcomed to attend.

HOW DOES A STUDENT ATHLETE EARN BOOSTER POINTS?

There are a variety of opportunities to earn Booster points:

1. Help clean up spectator / seating area following home games
2. Sell 50/50 raffle tickets during home games
3. Sell concessions during home games
4. Help the Athletic Department with various tasks
5. Volunteer to help at Booster events throughout the year
